

### **Laser Hair Removal:**

We offer the most effective treatment for permanent hair removal! When you purchase a hair removal treatment package CMS guarantees that area for one year.

*You may never have to shave again.*

### **Laser Vein Treatment:**

Presence of superficial veins on the face and legs (telangiectasias) is a cosmetic problem that troubles millions of people. Small, superficial red veins, can be successfully treated with our laser system.

### **Laser Pigmented Lesion Treatment:**

As people age, sun spots most commonly appear on the backs of the hands, the forearms, neck, chest, and face causing you to look years older than your chronological age. We can eliminate signs of aging, put your mind at ease and *take years off of your appearance.*

### **Skin Care**

Independent Senior Consultant.

- Skin care evaluation
- Regime recommendations
- On trend color consultation
- Application techniques
- Problem skin strategies

### **Laser Facial Skin Treatment:**

Does your skin show evidence of chronic damage from exposure to the sun's ultraviolet light? Signs of damage may include:

- coarsening of skin texture & large pores
- wrinkling
- irregular pigmentation (such as age spots, freckles)
- enlarged blood vessels & signs of rosacea
- broken capillaries around the nose area

Our Laser Facial skin treatments give you visible improvement from sun damaged. We can customize a package just for you!

### **Medical Grade Chemical Peels and Skin Resurfacing:**

Our Medical Grade Chemical peels heal damaged skin on a cellular level. They are individually designed to provide immediate visible skin retexturization and refinement. With little to no downtime you can achieve:

- Individualized treatments
- Immediate visible results
- Smoother, younger skin
- Reduction of fine lines and wrinkles
- Treatment for active acne

### **BOTOX®:**

This is what you've been looking for! BOTOX® is a fast and effective procedure that smooths lines and wrinkles to make you look younger, fresher and happier.

- Frown lines between your brows (sometimes called the 11)
- Forehead creases
- "Crow's feet", the lines on the side of the eyes

Dramatic results can be seen without surgery and without recovery time.

### **Dermal Fillers:**

#### **Restylane®, Perlane® and Juvéderm:**

Colorado Medical Spa uses safe and natural cosmetic dermal fillers that restores skins volume and fullness, correcting facial wrinkles and folds.

- The nasolabial folds (also called the marionette lines or parenthesis) can be eliminated
- Small and disproportionate lips can be enhanced and reshaped
- Volume and fullness of lips can be restored
- Lines and wrinkles around the mouth area (usually caused by smoking) can be eliminated

REAL SKIN CARE NEEDS WITH REAL RESULTS

## REAL people, sharing REAL experiences.

*"I still can't believe that I will never have to shave again. After years of razor rash, painful ingrown hair and embarrassment, I am free!"*

– B. Darling

*"The treatments are excellent and thorough. The laser treatments on my back went effortlessly and were quite effective. My technician was wonderful – very professional, friendly and truly skilled in doing the treatments and putting me at ease."*

– M. Alberston

*"Until I went to Colorado Medical Spa and had the Botox treatment people were telling me that I looked tired and grouchy...even when I felt great and had gotten a full night sleep. After my services from Colorado Medical Spa, I love how I look and feel!"*

– W. Palomino

*"I quit smoking, but still had the tell tale lines of a smoker until I had the Restylane treatment. The lines are completely filled in and I look at least 10 years younger!"*

– J. Vanderbuilt

*"The sun damage on my chest and shoulders always made me self conscious. As a wedding gift from my mom, Colorado Medical Spa removed it before my wedding day. I am wearing the strapless dress of my dreams with out having to cover up with pancake make-up! Yeah!"*

– R. Gould

*"It is a treat to come to Colorado Medical Spa. Very professional!"*

– S. Coors

*"I just wanted to look younger and now I do! After looking at my own "before" pictures, I can see significant changes in my skin and appearance. Thank you Colorado Medical Spa!"*

– L. Berman

*"I am addicted...my skin is soooo much healthier. Everyone from my boyfriend to the lady at the dry cleaners has commented on how refreshed I look."*

– T. Elway
